

2025 Volunteer & Fundraising Commitment Agreement

It is MHB Youth Football Program's mission to raise funds that aid in the development and growth of the Mount Horeb-Barneveld Youth Football Teams. Our family's volunteer credits are also essential to the success of our program.

MHB Youth Football will require parents/guardians to sign a Volunteer & Fundraising Commitment Agreement. This is to ensure that families complete the required volunteer credits. We ask that ALL MHB Youth Football families volunteer, completing 2 CREDITS for their First/Only Child in the program and 1 ADDITIONAL CREDIT for each additional child in the program, with a max of 4 CREDITS per family. Each family may choose to do a Buy-Out Option* if they prefer not to volunteer for the below events.

Each family will write a deposit check (\$250.00 per single player or \$350.00 for multiple players) made payable to MHB Gridiron.

Below are areas where families can receive the necessary volunteer credits required. Additional information for each of these will be provided to you by your Team Representative(s).
